Brookland Greens

Brookland Greens and Brookland Park, Canning Vale – heralded a new standard of family living in Perth.

LOCATION: Suburbia at its best, Canning Vale offers a tranquil environment 30 minutes from the Perth central business district.

Cape Bouvard teamed with respected developers Stockland and Taylor Woodrow to establish Brookland Greens and Brookland Park - leading sustainable communities featuring mid-range quality homes.

Heralding a new standard in family living in the Perth suburbs, the estates were developed just minutes from each other and boast a delightful village atmosphere and a high standard of quality landscaped parks and gardens.

The developments were particularly popular with young families seeking quiet and scenic surrounds while still being minutes away from established schools, medical facilities, shops, and the popular Gosnells Golf Course. And all that just a comfortable 30 minutes from the city.

The developments won a number of significant industry awards and for Cape Bouvard, highlighted the strategic advantages of working in a joint venture arrangement where expertise was shared and all parties involved benefited from the knowledge of others.
