

IN THE MARKET

Six of the best

Six terrace homes in Bateman were auctioned off the plan this week and all sold under the hammer.

Cape Bouvard Development, with LandCorp, held the auction at the Swan River Rowing Club in Mt Pleasant. It follows a successful auction off the plan of Trigg Terrace homes in July.

The top price for the Noalimba Terraces in Bateman was \$671,000. Cape Bouvard's Greg Byrne said there was strong demand for the terrace homes from the outset.

"Due to the strong interest on Monday, Stage 2 marketing of Noalimba Terraces has been brought forward, with the next 21 homes being offered by expressions of interest."
